

Horao Bible Engagement Tool

Horao (hor AH o) is the Greek word to see with the eyes and the mind, to know and become acquainted with by experience. Horao is one desired result as you engage with God's word.

Develop A Rhythm Of Engagement:

Start each day asking God to reveal his truth to you.

Read a verse, a chapter, or a book of the Bible and engage with the following affirmations:

- ★ **God is saying this ___ to me. Write it out.**
- ★ **Jesus is encouraging me to do this ___.**
- ★ **The Holy Spirit wants me to share this truth with ___.**
